

HP 125 Wired Mouse

Every Day Productivity

Think how much you use your mouse. That's why we've taken the time to design a wired mouse that is comfortable to use so you can work productively every day - and all day if necessary.

Designed for Comfort

The HP 125 Wired Mouse includes perfectly positioned left and right buttons and a scroll wheel so you can work in comfort all day.

Plug and Play Connectivity

Connecting some peripheral devices can be a complex and time consuming task. Who needs that? With easy plug and play USB connectivity, you can get your mouse connected quickly so you can get on with your work day.

Responsibly Made

You should feel good about the products you buy and use. Rest assured, this wired mouse is responsibly made with printed circuit boards that is low halogen¹.

Easy Cleaning

Use your keyboard every day and it will accumulate dirt and grime. Over time, this can affect how it performs. Because it was specifically designed to withstand every day cleaning with disinfecting wipes², this is one keyboard that's a snap to keep clean.

1. External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

2. Select household wipes can be safely used to clean HP Elite Presenter Mouse, HP Premium keyboard (wireless and USB) and HP desktop wired 320 KB/Mouse up to 1,000 wipes: See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at How to Sanitize Your HP Device Whitepaper.
